8-09-03 Westy Win 2HD Grand Final

multibase

The Bluebells came from behind to beat Dudley in a keenly contested Grand Final at West Wallsend on Sunday 7th September.

Dudley opened the scoring courtesy of an own goal as early as the fourth minute.

The Bluebells levelled the score when Murray Halyburton took full advantage of a loose ball making the score one all at half time.

Michael Stafford the Dudley keeper fell heavily while repelling a Westy attack dislocating his shoulder, he had to be replaced in goal.

Both teams found the going hard in the second half as they searched for the winning.

Toby Coates finally managed to put Westy in front when the Dudley defence gave him too much space inside the six yard box, the goal wasn't clinical but as Jimmy Greaves once said, "all goals count" in Westy's case none more so than this one.
