first goal of the game.

It was Wallace again in injury time that could have increased Westy's lead but his shot was just over the bar.

Half time West Wallsend 1 Medowie 0

Early in the second half Westy had an opening on the left had side as Dale Spouwart crossed into the area as eager forwards were waiting to pounce fortunately Joel Gray was well positioned to clear for a corner.

Troy Morris managed to get between two Medowie defenders but could get sufficient power and direction as he shot wide.

Most of the play was now in Medowie half of the field but they couldn't penetrate their resolute defence and were opting for long range shots.

Medowie now had to take some action and made two replacements, which injected new vigour into their play. Michael Sullivan opened up the Westy defence with a well timed run, his early cross deserved a better finish.

With fifteen minutes to go Medowie were not doing Westy anyf avours as they continued to fight for every ball and try to hit their opponents on the break.

A late corner through a lifeline to Medowie taken by Sean Murray he must have been sickened to see his cross avoid everyone in the penalty area and the opportunity to take the game into extra time lost.

Full time West Wallsend 1 Medowie 0
Cameron Wallace 42
